FORUM TOPICS

1. Nuclear physics

- Nuclear reactions: theory and experiment
- Structure and properties of the atomic nuclei
- Technique and methods of nuclear-physical experiment

2. Solid state radiation physics and issues of materials science

- Formation and evolution of defects in solids
- Structural and fuel materials of nuclear and fusion facilities
- New materials and methods of their preparation, nano-materials

3. Radiation ecology and methods of analysis

- Radio-ecological studies of former nuclear test sites, assessment of risks and radiological issues.
- Technologies for reducing ecological risk of the radiation-hazardous facilities and territories, radioactive wastes handling
- Analytical methods in the radio-ecology and nuclear forensics

4. Nuclear and radiation methods in medicine and industry

- Production and application of radioactive isotopes
- Nuclear medicine
- Radiation technologies

FORUM VENUE

The International Scientific Forum will take place in Almaty in the RSE “Institute of Nuclear Physics”

FORUM LANGUAGES

Forum languages are Russian and English.

PAPER ABSTRACTS

Paper abstracts (in Russian or English) are to be submitted in Word format to the Forum Secretariat not later than **May 31, 2017** to e-mail **inp60th@gmail.com**. Please use **Times New Roman** font, 10 points. The abstract shall not exceed one A4 paper page (210x297 mm) with the following margins:

top - 25 mm; left - 30 mm;

bottom - 25 mm; right - 15 mm.

The titles should be typed in capital letters. Two intervals after the paper title, please, indicate the authors' surnames and initials and name of organizations, including

city and country they represent. Then, 2 intervals below, paper abstract text shall be typed with single line spacing. The Book of Forum Abstracts will be published by the start of the Forum.

Full text papers will be published after the Forum. The submission dates and the rules for paper text editing will be announced additionally.
